

Saint John XXIII

Our Patron Saint
THE NEXT 50 YEARS

Dear Pope John,

Your simplicity and meekness carried the scent of God and sparked in people's hearts the desire for goodness. You spoke often of the beauty of the family gathered around the table to share bread and faith: pray for us that once again true families would live in our homes.

With outstretched hands you sowed hope, and you taught us to listen for God's footsteps as he prepares a new humanity: help us have a healthy optimism of defeating evil with good.

You loved the world with its light and darkness, and you believed that peace is possible: help us be instruments of peace at home and in our communities.

With paternal gentleness you gave all children a caress: you moved the world and reminded us that hands have been given to us not for striking, but for embracing and drying tears.

Pray for us so that we do not limit ourselves to cursing the darkness but that we bring the light, bringing Jesus everywhere and always praying to Mary.

Amen.

Know About Our Patron Saint John XXIII

The man who would be Pope John XXIII was born in the small village of Sotto il Monte in Italy, on November 25, 1881. He was the fourth of fourteen children born to poor parents who made their living by sharecropping. Named Angelo Giuseppe Roncalli, the baby would eventually become one of the most influential popes in recent history, changing the Church forever.

Roncalli's career within the Church began in 1904 when he graduated from university with a doctorate in theology. He was ordained a priest thereafter and soon met Pope Pius X in Rome.

By the following year, 1905, Roncalli was appointed to act as secretary for his bishop, Giacomo Radini-Tedeschi. He continued working as the bishop's secretary until the bishop died in August 1914. The bishop's last words to Roncalli were, "Pray for peace."

Such words mattered in August 1914 as the world teetered on the brink of World War I. Italy was eventually drawn into the war and Roncalli was drafted into the Italian Army as a stretcher bearer and chaplain.

Roncalli did his duty and was eventually discharged from the army in 1919. Free to serve the Church in new capacities he was appointed to be the Italian president of the Society for the Propagation of the Faith, handpicked by Pope Benedict XV.

Then in February 1925, Roncalli was summoned to the Vatican and given a new mission. This time he was sent to Bulgaria as the Apostolic Visitor to that country. Later, he was appointed apostolic delegate to Turkey and Greece and made archbishop of Mesembria.

Beginning in 1935, racial tensions and anti-Jewish sentiment began to explode into actual acts of violence against the Jews and other ethnic minorities. Roncalli started using his influence to save what people he could from the depredation of both local authorities and later the Nazis. During his tenure as archbishop, Roncalli saved thousands of Jews, enough that he was named a "Righteous Gentile" following the war.

In late 1944, the Church was anxious to remove clergy in France that had collaborated with the Nazis in various forms. Roncalli was appointed as the new papal Nuncio and sent to France to negotiate the retirement of bishops who were involved with the Nazis.

In 1952, Roncalli was offered a new position, this time as Patriarch of Venice. At the same time he assumed his new title, Roncalli became the Cardinal-Priest of Santa Prisca. He assumed his new responsibilities on March 15, 1953.

Roncalli's papal predecessor died on October 9, 1958 and he was soon summoned to Rome where he was to participate in the process of selecting a new pope. The College eventually settled on Roncalli for election and he accepted, saying "I will be called John," a surprising choice because of that name's association with schism.

As Pope John XXIII, he immediately began to change the culture in the Vatican. On Christmas, 1958, he resumed the papal practice of making visits to the community within the official Diocese of Rome. He visited the sick, the poor, and prisoners. He apologized for episodes of anti-Semitism within the Church carried on by some of his predecessors.

Know About Our Patron Saint John XXIII, cont'd

It was originally expected that Pope John XXIII would only serve a short time before passing away and that he would make no significant changes to Church practice. However, Pope John XXIII was a man of great mercy and kindness and much like Pope Francis of today, he did many things that created sensation in the streets and pews.

Perhaps his most influential decision was the call for an ecumenical council which would be known as Vatican II. As a result of this council, many practices of the classic Church would be altered with a new emphasis on ecumenism and a new liturgy.

Pope John XXIII addressed several topics of importance to Catholics around the world. He prohibited the use of contraceptives which interfere with the procreative will of God. He upheld the traditional view that married couples may not divorce. He also moved to protect the Church from scandal, ordering confidentiality when dealing with matters of clergy accused of the sexual abuse of children. How his request to the bishops of his time was interpreted remains subject to debate.

By late 1962, Pope John XXIII had executed most of the work for which he would be known. He was, like his own sister before him, diagnosed with stomach cancer, which was a terminal diagnosis for that time.

In his last months, he offered to negotiate peace between the Soviet Union and the United States, then at the height of the Cold War. The offer, although declined, was popular in both countries. In the wake of the news, John XXIII was the first pope to be honored as the Time Magazine Man of the Year.

Pope John XXIII did the best he could although his health and doctors were failing. On June 3, 1963, Pope John XXIII died in his bed at age 81.

The world mourned John XXIII and he was posthumously awarded the Presidential Medal of Freedom by President Johnson in December 1963.

Pope John XXIII generally maintained a good reputation among those who remembered him and he was often titled "the Good."

On September 3, 2000, Pope John Paul II beatified him. Miracles were attributed to him and his body was found to be in an uncorrupted state, a phenomenon consistent with sainthood. His body was put on display for the veneration of the faithful.

Pope Francis approved John XXIII for canonization on June 3, 2013, the 50th anniversary of his death.

Bl. Pope John XXIII will be canonized on April 27, 2014 alongside Bl. Pope John Paul II in a historic ceremony to be presided by Pope Emeritus Benedict and Pope Francis. It will be a historic ceremony with two living men with the title of pontiff presiding together.

Pope John XXIII's feast day will be October 11, as opposed to the day of his death, which is June 3. This special feast day is intended as a commemoration of the opening of the Second Vatican Council on October 11, 1962.

To Be Continued.

Message From Our Faithful Navigator

Sir Knights,

It is a pleasure to announce that our Assembly is now officially the Saint John XXII Assembly. An excerpt of the voting statement from the Supreme Board of Directors:

VOTED, to ratify the action of the Committee on Charters, upon request and approval of St. Isaac Jogues Province Vice Supreme Master Reginald F. Beckett and 1st New York District Master Gregory J. Warnokowski, in approving a change in name from Pope John XXIII Assembly No. 730 to St. John XXIII Assembly No. 730.

Much thanks to our Fourth Degree Master Greg Warnokowski in helping to have this name change accomplished. On October 12th the Fourth Degree Exemplification was held. I welcome our new Sir Knights to the Saint John XXIII Assembly. Their names are listed in an article of this edition of the Encyclical. Please get involved with your Assembly, we are in need of your enthusiasm and presence to make us a better Assembly. Attend our monthly meetings and bring your ideas on what we can accomplish together for our Assembly, Councils, Parishes and most of all our Veterans.

I would like to thank SK Karl Wick for setting up our Hospitality Suite that day and those that helped to run the suite, SK Kevin Finnegan and SK Richie Fox. You guys did a great job in helping us welcome our new Sir Knights with a well-run Assembly Suite.

On October 25th we held our Annual Assembly Memorial Mass at the Church of St. Joseph in Garden City. I would like to thank Father Gregory Breen for a very dignified mass and kind words for our Assembly and the Sir Knights that we prayed for that day. Thanks also goes to the St. Joseph Bishop Baldwin Council; Grand Knight John Russo for arranging for the mass and setting up the breakfast repast afterwards; Membership Director Arthur Anderson for reading the names of the Sir Knights we memorialized and to their council members who attended and helped with the repast.

I and some of our officers will be visiting many of the Assembly's Councils over the next few months. We need emphasis on the fact the each Council needs to have an active 4th Degree Chairmen, council members should attend assembly meetings, 3rd degree members should take the next step and become a Sir Knight and that each council needs to participate in the Color Corps for its viability. Each of our Assembly Councils need to have membership in the Color Corps as Guardsmen. This will increase our turnout presence at events and insure that a Council has a well-attended turnout for their events. Without an increase in Guardsmen, we will have difficulty in maintaining the events that we can participate in. Let's make sure we can honor all requests for turnouts. I think it will be a shame if we have to begin reducing the number of Color Corps turnouts that we can participate in. We need to support our Worthy Commander Winston Delpesh, who has done a great job of managing the requests for the Color Corps turnouts.

We have begun sales for our Annual Prize Raffle drawing. This year we will have an Entertainment Package as the main prize which consists of a 46" Large Screen Television, Blu Ray Player and stereo sound bar for the television. This is the Assembly's main fundraising effort, so please support this program and purchase raffle tickets. Contact your 4th degree chairman or Grand Knight for raffle tickets. We need a strong showing in this effort to keep the Assembly profitable so we can participate in our many charitable endeavors, such as those that benefit our Veterans (Adopt a Battalion for example.)

We thank our troops for allowing us the freedom to enjoy our family and friends during the Thanksgiving and Christmas Holidays. They are away from their families, which is just one of the many sacrifices they make so can be a better and safer nation.

My family and I, along with the Assembly's Board of Officers, wishes everyone an enjoyable Thanksgiving holiday.

We wish you all a Merry and Holy Christmas Season.

The 11th Commandment

"Thou Shall Not Forward Emails "

I have found and broken the eleventh commandment and I apologize.

Did any one know there is an eleventh. Actually there is not but if there was it should be "Thou Shall Not Forward Email Before s You Check there authenticity" . Here is where I have sinned. I receive many emails from people who I consider a reliable source as is the case with the one I recently sent out to our members which gave a link to a speech made by the President of the United States. It was only 19 seconds long which should have been the first clue to its authenticity. Oh it was authentic but it was only a well captured video clip of a 37 minute speech that the President gave while in Brussels. It sounded to me like the words were coming directly out of the mouth of Adolph Hitler. I will not give my thoughts on that because my political views are not necessarily those of others and they do not belong in this newsletter. I will say though that after I sent out my apology to the members I received a request from one member asking to be removed from my mailing list because he felt I was an admirer of the president when he said " I've seen the clip before and as I read your prolog to the message, i feel "that you admire him" Please remove me from your mailing list. ". Being a veteran and a great supporter of our troops as most of you know I am, I took great offence in that. I replied to him that although I do not like or admire him I do feel it is my duty to get the truth out to all. I did listen to the speech, all 37 grueling minutes of it, and realized the message he was trying to get across to that particular audience was not what I understood it to be from the 19 second clip. I think he was attempting to compare Hitler's Nazi Germany in the 40's to today's Europe. What I keep seeing time and time again is that what you see and read on the internet is far from the truth and that applies more so to emails that go viral and pass from one to another. So that being the case I promises to do my best and not forward any more emails good or bad to any one of our brothers and I will do my best, not discover or break any more Commandments. God knows I have enough trouble keeping the first 10. Thank you for your understanding and again you have my apologies.

Faithfully ,Your Editor

COMPTROLLER ALERT NOV--DEC 2014 CHANGES AGAIN!!!

Just when you think you have everything in order; changes to the changes that were changed have changed again! The Master has confirmed that the waiting period after a First Degree which was originally 1 year, then reduced to 6 months, is now null and void. No longer is there any waiting period. A member could make his three degrees within three months and take his Fourth Degree on the fourth month. That is stretching it a bit, but I am sure you know what I mean. Anyhow, the waiting period is no more-----unless changed again!!!!

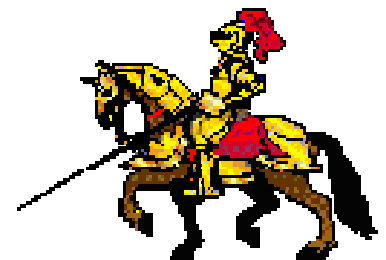

ADDED NOTE: 2015 Membership Billings will be going out on January 5, 2015. Cards will be available before that date upon request after the November 2014 meeting.

Comptroller's Corner For Nov---Dec 2014 **EVEN THOUGH IT'S OVER IT'S NOT OVER!!!**

I am sure Yogi Berra never quite said it like this, but I thought it appropriate. Our 2014 Exemplification is over, but recruitment efforts for new brother Sir Knights never ends. It was impressive to see we had 9 tables at the banquet with the new Sir Knights being supported by their fellow Council members. Call it what you will, but I call it a togetherness that allows the ladies to get to know one another and want to see each other at future events. Does the April 12th Dinner/Dance ring a bell? Our member Councils should be advising their members on this and what it means to be a Sir Knight, even if they are one already.

CHRISTMAS IN JULY ????

It still sounds like a strange event, but in past years, proved elsewhere to be a popular program. Starting from July to December of 2015, the Assembly will run a Christmas-Club type program that will enable members, families and friends to participate. A Super Bowl type board will be made up with a hundred boxes that will be sold at \$5.00 for each box. At the Christmas Social meeting in December, the lucky number will be drawn and the winner awarded a grand prize of \$400.00, if all boxes are sold, or 80% of the total collected on each board. That's a nice Christmas present. . If there is enough interest, a second board will be formed. The remaining 20%, from each board, will go to the Assembly's future Honor Guardsmen Support Fund. The more boxes you buy increases your chances of winning

**A dollar a week or a box a month makes this event affordable.
With a sufficient number of participants, we should make full
boards easy.**

It is another way of getting more members to join our Honor Guard!!
Details will be published in the next and future Encyclicals.

Welcome Sir Knights

On Sunday October 12, 2014 Pope John XXIII (soon to be officially known as Saint John XXIII) Assembly welcomed 34 new Sir Knights into our 4th Degree at the exemplification ceremony held at the Melville Marriot Hotel . Congratulation's to them, they are: SK . Aloysious J. Arukkattil , SK. James Bush, SK. Michael Cassano, SK. Michael Cataldi, SK. John M. Delany, SK. Raymond S. Diaz, SK. Kenneth E. Dixon, SK. Raymond J. Fallica, SK. William L. Flaherty, SK. Stephen J. Gecewicz, SK. Stephen C. Gecewicz, SK. John G. Guarino, SK. Joseph Interrante, SK. Joseph M. Levano, SK. Michael T. Lynch, SK. James D. We are proud and honored to have these new Knights join our 4th degree Assembly and hope they will take the time to attend as many of our assembly meetings as possible and give serious thought to joining our Color Corps as an honor guardsman. I remember the first time I was getting ready to go to a wake for a fallen Sir Knight and I was in full regalia my oldest grandson who was 8 at the time saw me coming down the stairs and his eyes went wide and mouth open and I could hear the words WOW come out of his mouth. To him I was a Knight in Shinning Armor. I think of that moment every time I stand at attention beside a casket with a fellow Guardsmen to pay our respects to our members that have gone before us and I see the gratitude in the eyes of those family members and friends that are their to pay their respects. It is true that it takes time and effort to become a member of the Color Corp, but it is truly a rewarding experience. [We Need More Dedicated Sir Knights!](#)

Above SK Joe Zink prepares to give our new Sir Knights there 4th Degree Certificates, Joe did an amazing job getting all the forms filled out correctly and completely for the new incoming Sir Knights, not an easy task. And SK. Karl Wick (busy in the kitchen) , SK. Kevin Finnegan and SK Richard Fox as they prepare the assembly Hospitality room 2090 for the new Sir Knights and their guests.

15 Below is Back to Rock the New Hyde Park Village Hall for a Holiday Benefit Concert!

15 Below, a local New Hyde Park alternative rock band, returns to the William Gill Theater at the NHP Village Hall! This time, 15 Below has teamed up with the New Hyde Park Knights of Columbus, Council 2852 and New Hyde Park Village to throw a holiday benefit concert on Friday, December 5, 2014 from 7:30 – 10:00 pm to support the "Hance Family Foundation" Annual Holiday Toy Drive.

To support the foundation guests are asked to bring an unwrapped toy to the concert. Toys can include: balls, basketballs, board games, crafts, rainbow loom, sport toys etc.

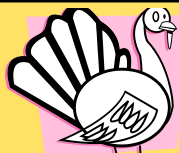

The band features lead guitarist and vocalist - Dan Rodriguez, guitar/sax and backup vocalist - Ryan Burger, base guitarist - John Savasta, drummer - Gerard Coppola, and vocalist - Joey Mazzeo. Besides playing covers from your favorite bands, this talented group writes and composes their own music. Their hits include "Run Away with Me", "Today" and "Blue little Bird". 15 Below will also debut their new song "October" among a number of others.

Holiday Music will be in the mix too! If you missed them over the summer at the Theater, or their performances at C.J. Wellingtons, Swing the Tea Pot, Plattdeutsch Restaurant or Stewart Manor Street Fair, here is your chance to come out for a good cause and see the band on December 5, 2014. Bring your energy, unwrapped toy and enjoy this free concert.

Checkout the band at www.facebook.com/15Belowband and listen to some of their hits on www.15below.bandcamp.com

NOW ON FACEBOOK

In todays electronic age many of our brother K of C councils and Assemblies along with many churches are turning to that all to popular internet media Facebook to get their message and existence out to the world to see. I spoke with our Faithful Navigator and the other officers of our assembly and it was decided to take the plunge and put our

Assembly out there with the others. I tried for two days to create the "Saint John XXIII" profile page under Church and Religious Organization's but each time I was redirected to create a personal account first and then to create a separate page. So thus we have "Pope John" face book profile with a separate page for "Saint John XXIII ". I will with the help of our Faithful Navigator try to make this a dedicated and worthy platform for our organization.

To find us from any other face book account search friends for "Saint John XXIII Assembly".

The page should come up. GOOD LUCK and Be Our Friend. *Richard*

HELP ME HELP OUR ASSEMBLY and YOU!

I have asked in previous issues for members of the assembly to please submit to me articles that they feel will be of interest to other Sir Knights or announcements of functions being run by their councils that may be of interest to other members of our assembly such as Parties, Dances .Communion Breakfasts, Fundraisers , Trips and other activities. The advertisements are FREE, yes **FREE !!**. All you have to do is e mail me a pdf. or tiff. or jpeg. file . Are you or is your council having an event that you want to promote or does your council have a hall they make available to rent for parties. Post it here and let other members know about it. The "E" edition is basically unlimited to size for sending out to our members, unlike the printed copy which will remain 4 Black & White pages. I am more then willing to put in the time to put it together but I cant pull things out of the air, like I did the Eagle below, just to fill pages. So please remind your Grand Knights to send in the information they want to have posted in the Encyclical. And on behalf of our officers Please make the

effort to come to our assembly meetings The 4th Wednesday of the month and the location will be posted in the Encyclical and on our assembly web site <http://www.kofca730.org/> . God Bless You, Your Family and GOD BLESS AMERICA.

Are You Interested In Joining Our Editorial Team

A small operation, such as our bimonthly publication, usually has a editorial team filled by a single person. A reporter, for example, may take their own pictures. A sales manager might also be the salesperson But we do not have a sales manager and the publisher may also be the editor. At present we have the Editor, who could use some help to expand our news letter for the better of the assembly.

The more the merrier, so the saying goes. If you feel you have writing skills or good photography skills or a Knight with a digital camera and a computer (needed) and would like to contribute to our newspaper "The Encyclical" then please by all means contact me. A team can make our "E Edition" grow by leaps and bounds. Some simple guide lines to follow:

- (1) Pictures and articles as well as posters (pdf's) of up coming individual council events must be related to the Knights of Columbus by either affiliation with a catholic organization or a recognized charitable organization including Veterans organizations Food pantries run by your council or church, health related organizations excluding Planned Parenthood.
- (2) Articles of course must be of an acceptable nature and not just the opinion of the writer, (which is hard to do at times). All submissions will be reviewed for the subject matter and more then gladly placed in our paper giving credit to the Sir Knight submitting the article or picture.
- (3) All 4th degree council representatives are encouraged to join up and speak up for their council and bring to my attention what activities are coming up that may be of interest to the members of our assembly. Including if their council has a catering hall available for rent to K of C members. Place an full page add .If the rental is credited to that add in the Encyclical a small fee of one years dues would go to the Assembly.

For more information please contact me by e mail. Thank you
