

Saint John XXIII

Our Patron Saint
THE NEXT 50 YEARS

Dear Pope John,

Your simplicity and meekness carried the scent of God and sparked in people's hearts the desire for goodness. You spoke often of the beauty of the family gathered around the table to share bread and faith: pray for us that once again true families would live in our homes.

With outstretched hands you sowed hope, and you taught us to listen for God's footsteps as he prepares a new humanity: help us have a healthy optimism of defeating evil with good.

You loved the world with its light and darkness, and you believed that peace is possible: help us be instruments of peace at home and in our communities.

With paternal gentleness you gave all children a caress: you moved the world and reminded us that hands have been given to us not for striking, but for embracing and drying tears.

Pray for us so that we do not limit ourselves to cursing the darkness but that we bring the light, bringing Jesus everywhere and always praying to Mary.

Amen.

Know About Our Patron Saint John XXIII

In our last news letter we left off with an article Pope John XXIII and Judaism .

Calling the Council

Far from being a mere "stopgap" pope, to great excitement, John XXIII called for an ecumenical council fewer than ninety years after the First Vatican Council (Vatican I's predecessor, the Council of Trent, had been held in the 16th century). This decision was announced on January 29, 1959 at the Basilica of Saint Paul Outside the Walls. Cardinal Giovanni Battista Montini, who later became Pope Paul VI, remarked to Giulio Bevilacqua that "this holy old boy doesn't realize what a hornet's nest he's stirring up".[47] From the Second Vatican Council came changes that re-shaped the face of Catholicism: a comprehensively revised liturgy, a stronger emphasis on ecumenism, and a new approach to the world.

Prior to the first session of the council, John XXIII visited Assisi and Loreto on 4 October 1962 to pray for the new upcoming council as well as to mark the feast day of St. Francis of Assisi. He was the first pope to travel outside of Rome since Pope Pius IX. Along the way, there were several halts at Orte, Narni, Terni, Spoleto, Foligno, Fabriano, Iesi, Falconara and Ancona where the crowds greeted him.[48]

Moral theology

Main article: Moral theology of John XXIII

Contraception

John XXIII greets sportsmen for the 1960 Summer Olympics on 28 August 1960.

In 1963, John XXIII established a commission of six non-theologians to investigate questions of birth control. He had expressed a prohibitive view of contraceptives in the encyclical *Mater et Magistra* which was released on May 15, 1961.

Human rights

John XXIII was an advocate for human rights which included the unborn and the elderly. He wrote about human rights in his *Pacem in Terris*. He wrote, "Man has the right to live. He has the right to bodily integrity and to the means necessary for the proper development of life, particularly food, clothing, shelter, medical care, rest, and, finally, the necessary social services. In consequence, he has the right to be looked after in the event of ill health; disability stemming from his work; widowhood; old age; enforced unemployment; or whenever through no fault of his own he is deprived of the means of livelihood."

The Encyclical

Divorce

In regards to the topic of divorce, John XXIII said that human life is transmitted through the family which is founded on the sacrament of marriage and is both one and indissoluble as a union in God, therefore, it is against the teachings of the church for a married couple to get a divorce.[]

Pope John XXIII and papal ceremonial

Main article: Ceremonial of John XXIII

Pope John XXIII was the last pope to use full papal ceremony, some of which was abolished after Vatican II, while the rest fell into disuse. His papal coronation ran for the traditional five hours (Pope Paul VI, by contrast, opted for a shorter ceremony, while later popes declined to be crowned). Pope John XXIII, like his predecessor Pius XII, chose to have the coronation itself take place on the balcony of Saint Peter's Basilica, in view of the crowds assembled in Saint Peter's Square below.

He wore a number of papal tiaras during his papacy. On the most formal of occasions would he don the 1877 Palatine tiara he received at his coronation, but on other occasions, he used the 1922 tiara of Pope Pius XI, which was used so often that it was associated with him quite strongly. Like those before him, he was bestowed with an expensive silver tiara by the people of Bergamo. John XXIII requested that the number of jewels used be halved and that the money be given to the poor.

Liturgical reform

Maintaining continuity with his predecessors, John XXIII continued the gradual reform of the Roman liturgy, and published changes that resulted in the 1962 Roman Missal, the last typical edition containing the Tridentine Mass established in 1570 by Pope Pius V at the request of the Council of Trent and whose continued use Pope Benedict XVI authorized in 1962 under the conditions indicated in his motu proprio *Summorum Pontificum*. In response to the directives of the Second Vatican Council, later editions of the Roman Missal present the 1970 form of the Roman Rite.

Beatifications and canonization ceremonies

Main article: List of saints canonized by Pope John XXIII

John XXIII beatified four individuals in his reign: Elena Guerra (26 April 1959), Innocenzo da Berzo (12 November 1961), Luigi Maria Palazzolo (19 March 1963) and Elizabeth Ann Seton (17 March 1963).

He also canonized a small number of individuals: he canonized Charles of Sezze and Joaquina Vedruna de Mas on April 12, 1959, Gregorio Barbarigo on May 26, 1960, Juan de Ribera on June 12, 1960, Maria Bertilla Boscardin on May 11, 1961, Martin de Porres on May 6, 1962, Antonio Maria Pucci, Francis Mary of Camporosso and Peter Julian Eymard on December 9, 1962. His final canonization was that of Vincent Pallotti on January 20, 1963.

Message From Our Faithful Navigator

Sir Knights,

Welcome to a new Columbian Year... I thank the members and officers in giving me the opportunity to serve as the Assembly's Faithful Navigator for a second term. Some of our officers, from last year, had to step down mainly due to work schedules. SK Joe Lannon and I felt it would be best if I served a second term to give all of the assembly officers' time to adjust to their new responsibilities, which will provide a smooth transition as they advance to become the Faithful Navigator in later years.

The Fourth Degree Exemplification will take place on October 11th. Grand Knights and Fourth Degree Chairmen; please promote this at your council meetings and ask your third degree knights to take the next step in their degree journey and become Sir Knights. Details can be found in this edition of the Encyclical.

We are dedicating this next year to promoting Veteran awareness. At many of our meetings this year we will have speakers from various Veteran Organizations, such as 'Adopt a Battalion', Wounded Warrior's', 'Comfort Dogs for Vets', etc... Come to our meetings and join us in supporting these Veteran causes.

Fourth Degree Chairmen; please make an effort to come to our Assembly Officers meetings, every second Wednesday of the Month, except July and August. We need your support and input to make both your Council and the Assembly stronger by working together. Grand Knights; if your council does not have a Fourth Degree Chairman, please appoint one.

This year's Officers Installation will take place during the September business meeting at Msgr. John Seidenschwang Council. Please come to the meeting to support the Assembly and its officers.

Enjoy the summer with your family and friends. Hope to see you at our meetings starting in September.

Fraternally,
SK Brian Ennis Faithful Navigator

The "ASSEMBLY" is on hiatus during July & August, so there is not much to inform you of. The Exemplification is scheduled for October 11, 2015 to be held at the Melville Marriott Hotel, as usual. The hotel has undergone extensive renovations and what we may have been accustomed to in the past may have been changed. The Master has called for a meeting with the District Assemblies' officers in July. We should have more info after that. It appears that Exemplification costs are to be the same as last year. To get the latest information on the Exemplification, come to the September Assembly meeting. Also be aware of TEMPUS FUGIT. The 2015 Exemplification will be upon us before we know it. Get those Form 4's filled out and turned in and don't forget the prospect information form also. Please do not create an avalanche at the last minute, The paperwork is huge.

Congratulation's Sir Knight Of The Year

Above SK Joseph Lannon PGK. Twelve Apostles Council 5001 receives the Sir Knight Of The Year Award from our Faithful Navigator SK Brian Ennis and Joe's so SK Christopher Lannon, present Warden of Twelve Apostles Council.

MISSION OF THE 4TH DEGREE

TO HONOR AND SUPPORT OUR VETERANS AND FIRST RESPONDERS.

This is what we have been told by our Faithful Navigator. The following are some suggestions on how we can do this.

There are many non profit organizations in our own area that need the support of the American people. Groups that are made up of volunteers dedicated to helping those that serve our country. We are all aware of the fact that the Knights of Columbus in the 3rd degree are dedicated to serving our police and fireman and of course our clergy. It is our privilege to serve them as they serve us but unfortunately we are unable to perform the many extremely dangerous tasks that they do for our community day to day. The police departments of our many communities walk the neighborhoods and patrol our streets in search of crime and unrest. Vigilant of the needs of the community and ready TO PUT THEIR LIVES IN HARMS WAY for the safety of our residents. They deal with an element of society that has no morals and exhibits a lack consciences and a willingness to take a life without a second thought. They Need Our Prayers and Respect.

The men and woman of our local fire departments do the same thing in a different way and some, a great many in fact do it with either no or very little compensation , as

As volunteers. Answering the calls that come in day and night of a fire or explosion.

Risking their own lives when they enter a burning building in danger of collapsing to search for missing persons, adults and children and in some cases family pets. There is no monetary compensation of rewards that drive them to do this, only the love they have for their fellow man. And it must be love and caring because what else would drive them to do this but that and oh yes the love of God and what God would have them do. So please help and respect them each and every day and keep them in your prayers, Ask God to protect them as they so valiantly protect us.

And Now As A 4th Degree Knight, The Patriotic Degree.

We can support those groups that support our men and woman serving our country fighting the never ending war on Global Terrorism . The next page is an example of one way to help us support or troops that are supporting and serving Us Now. Secondly there is a group of volunteers that take care of those men and woman that gave their lives for our country and Our Government Doesn't Have The Money To Give Them The Proper Burial That They Deserve . Isn't that a shame. We cant provide for them when they Fight and we cant afford to provide for them when they Die . God Help Us All. Their Story on page 16.

Your Editor.

WE NEED YOUR HELP!

The United States Volunteers of America (USV-A) is a not-for-profit Veteran Service Organization (VSO) that is an Authorized Provider, Level III (AP3) of Military Funeral Honors for our nation's veterans. Individual members pay dues annually and pay for their own expenses in purchasing uniforms, ceremonial weapons and traveling. There is no charge for our services. We are a self-supporting unit, funded solely by ourselves and sporadic contributions.

When available, the unit upon request, provides a ceremonial bugler to play Taps, a firing party to fire a three-round volley, and presents the family of the deceased veteran with the three (3) polished brass shell casings in remembrance of the military honors performed for their loved one. The 11NYRGT detail augments the folding and presenting of the flag common to all the military services, ARMY, NAVY, AIR FORCE, US MARINES & COAST GUARD.

Our cause is one that we take as both a privilege and a commitment. The 11th NY Regiment remains a constant force to continue providing a dignified, professional, and respectful service to every veteran possible. There are many occasions whereby the US Army Reserve and NY Army National Guard are short-handed and reach out to the 11th NY to provide and/or augment staffing in order to provide Military Funeral Honors for any deserving veteran.

The current tough economic climate continues to make it difficult to maintain financial support to accomplish our mission. To make a donation to the 11th NY Regiment, please visit us at 11thnyusv.org

The Enemy Is Here On Our Shores.

CHATTANOOGA, TN - JULY 19: John Kennon (L) and Lilla Kennon attend the East Ridge United Methodist Church for a prayer service to honor the four Marines and one Navy sailor killed during a shooting on July 19, 2015 in Chattanooga, Tennessee. The gunman **Mohammad Youssuf Abdulazeez, 24**, opened fire on the military recruiting station at the strip mall on July 16th and then drove more than seven miles away to an operational support center operated by the U.S. Navy and killed four United States Marines and a Navy sailor. The gunman was likely killed in a exchange of gunfire with the

police. Our Military men and woman no longer have to be deployed to Afghanistan or Iraq or the middle east to meet the enemy of our country. The enemy has arrived and is taking lives of un armed solders on their home front. The time is here and we must not ask but demand our politicians to enable our military men and woman to bear arms when they are in uniform and actively engaged in in the daily routine of serving our country here. Not only for their protection but for the protection of all American citizens. And we must pray for them and for our country and ask Our Lord to help our solders our police and if need be our citizens to be ever vigilant in our daily routine and to put an end to the actions of these terrorists **BEFORE WE BECOME THE NEW MIDDLE EAST.**

I am more than willing to put in the time to put it together but I can't pull things out of the air, like I did the Eagle below, just to fill pages. So please remind your Grand Knights to send in the information they want to have posted in the Encyclical. And on behalf of our officers Please make the

effort to come to our assembly meetings The 4th Wednesday of the month and the location will be posted in the Encyclical and on our assembly web site <http://www.kofca730.org/>. God Bless You, Your Family and GOD BLESS AMERICA.

Are You Interested In Joining Our Editorial Team

A small operation, such as our bimonthly publication, usually has a editorial team filled by a single person. A reporter, for example, may take their own pictures. A sales manager might also be the salesperson But we do not have a sales manager and the publisher may also be the editor. At present we have the Editor, who could use some help to expand our news letter for the better of the assembly.

The more the merrier, so the saying goes. If you feel you have writing skills or good photography skills or a Knight with a digital camera and a computer (needed) and would like to contribute to our newspaper "The Encyclical" then please by all means contact me. A team can make our "E Edition" grow by leaps and bounds. Some simple guide lines to follow:

- (1) Pictures and articles as well as posters (pdf's) of up coming individual council events must be related to the Knights of Columbus by either affiliation with a catholic organization or a recognized charitable organization including Veterans organizations Food pantries run by your council or church, health related organizations excluding Planned Parenthood.
- (2) Articles of course must be of an acceptable nature and not just the opinion of the writer, (which is hard to do at times). All submissions will be reviewed for the subject matter and more then gladly placed in our paper giving credit to the Sir Knight submitting the article or picture.
- (3) All 4th degree council representatives are encouraged to join up and speak up for their council and bring to my attention what activities are coming up that may be of interest to the members of our assembly. Including if their council has a catering hall available for rent to K of C members. Place an full page add .If the rental is credited to that add in the Encyclical a small fee of one years dues would go to the Assembly.

For more information please contact me by e mail. Thank you
