

Saint John XXIII

Our Patron Saint
THE NEXT 50 YEARS

Dear Pope John,

Your simplicity and meekness carried the scent of God and sparked in people's hearts the desire for goodness. You spoke often of the beauty of the family gathered around the table to share bread and faith: pray for us that once again true families would live in our homes.

With outstretched hands you sowed hope, and you taught us to listen for God's footsteps as he prepares a new humanity: help us have a healthy optimism of defeating evil with good.

You loved the world with its light and darkness, and you believed that peace is possible: help us be instruments of peace at home and in our communities.

With paternal gentleness you gave all children a caress: you moved the world and reminded us that hands have been given to us not for striking, but for embracing and drying tears.

Pray for us so that we do not limit ourselves to cursing the darkness but that we bring the light, bringing Jesus everywhere and always praying to Mary.

Amen.

Biography

Efforts during the Holocaust

As nuncio, Roncalli made various efforts during the Holocaust in World War II to save refugees, mostly Jewish people, from the Nazis. Among his efforts were:

- Delivery of "immigration certificates" to Palestine through the Nunciature diplomatic courier.
- Rescue of Jews by means of certificates of "baptism of convenience" sent by Monsignor Roncalli to priests in Europe.
- Slovakian children managed to leave the country due to his interventions.¹
- Jewish refugees whose names were included on a list submitted by Rabbi Markus of Istanbul to Nuncio Roncalli.
- Jews held at Jasenovac concentration camp, near Stara Gradiška, were liberated as a result of his intervention.
- Bulgarian Jews who left Bulgaria, a result of his request to King Boris of Bulgaria.
- Romanian Jews from Transnistria left Romania as a result of his intervention.
- Italian Jews helped by the Vatican as a result of his interventions.¹
- Orphaned children of Transnistria on board a refugee ship that weighed anchor from Constanța to Istanbul, and later arriving in Palestine as a result of his interventions.
- Jews held at the Sered concentration camp who were spared from being deported to German death camps as a result of his intervention.
- Hungarian Jews who saved themselves through their conversions to Christianity through the baptismal certificates sent by Nuncio Roncalli to the Hungarian Nuncio, Monsignor Angelo Rota.

In 1965, the Catholic Herald newspaper quoted Pope John XXIII as saying:

We are conscious today that many, many centuries of blindness have cloaked our eyes so that we can no longer see the beauty of Thy chosen people nor recognize in their faces the features of our privileged brethren. We realize that the mark of Cain stands upon our foreheads. Across the centuries our brother Abel has lain in blood which we drew, or shed tears we caused by forgetting Thy love. Forgive us for the curse we falsely attached to their name as Jews. Forgive us for crucifying Thee a second time in their flesh. For we know not what we did.

On 7 September 2000, the International Raoul Wallenberg Foundation launched the International Campaign for the Acknowledgement of the humanitarian actions undertaken by Vatican Nuncio Angelo Giuseppe Roncalli for people, most of whom were Jewish, persecuted by the Nazi regime. The launching took place at the Permanent Observation Mission of the Vatican to the United Nations, in the presence of Vatican State Secretary Cardinal Angelo Sodano.

Know About Our Patron Saint John XXIII, cont'd

The International Raoul Wallenberg Foundation has carried out exhaustive historical research related to different events connected with interventions of Nuncio Roncalli in favor of Jewish refugees during the Holocaust. Until now, three reports have been published compiling different studies and materials of historical research about the humanitarian actions carried out by Roncalli when he was nuncio.

In 2011, the International Raoul Wallenberg Foundation submitted a massive file (the Roncalli Dossier) to Yad Vashem, with a strong petition and recommendation to bestow upon him the title of Righteous among the Nations.

Angelo Giuseppe Roncalli, Patriarch of Venice (1953-1958).

Cardinal

Roncalli received a message from Mgr. Montini on 14 November 1952 asking him if he would want to become the new Patriarch of Venice in light of the nearing death of Carlo Agostini. Furthermore, Montini said to him via letter on 29 November 1952 that Pius XII had decided to raise him to the cardinalate. Roncalli knew that he would be appointed to lead the patriarchy of Venice due to the death of Agostini who was also to be raised to the rank of cardinal.¹

On January 12, 1953, he was appointed Patriarch of Venice and, accordingly, raised to the rank of Cardinal-Priest of *Santa Prisca* by Pope Pius XII. Roncalli left France for Venice on 23 February 1953 stopping briefly in Milan and then to Rome. On 15 March 1953, he took possession of his new diocese in Venice. As a sign of his esteem, the President of France, Vincent Auriol, claimed the ancient privilege possessed by French monarchs and bestowed the red biretta on Roncalli at a ceremony in the Élysée Palace. It was around this time that he, with the aid of Monsignor Bruno Heim, formed his coat of arms with a lion of Saint Mark on a white ground.

Roncalli decided to live on the second floor of the residence reserved for the patriarch, choosing not to live in the first floor room once resided in by Giuseppe Melchiorre Sarto, who later became Pope Pius X. On 29 May 1954, the late Pius X was canonized and Roncalli ensured that the late pontiff's patriarchal room was remodeled into a 1903 (the year of the new saint's papal election) look in his honor. With Pius X's few surviving relatives, Roncalli celebrated a mass in his honor.

His sister Ancilla would soon be diagnosed with stomach cancer in the early 1950s. Roncalli's last letter to her was dated on 8 November 1953 where he promised to visit her within the next week. He could not keep that promise, as Ancilla died on 11 November 1953 at the time when he was consecrating a new church in Venice. He attended her funeral back in his hometown. In his will around this time, he mentioned that he wished to be buried in the crypt of Saint Mark's in Venice with some of his predecessors rather than with the family in Sotto il Monte.

Next The Papal Election . To Be Continued.

Message From Our Faithful Navigator

Sir Knights,

Our Annual Dinner Dance is coming up on April 12th. Please get your reservations in as soon as possible. My contact information is at the end of this message.

Our Annual Raffle tickets are still available; please see your Grand Knight or Fourth Degree Chairman to purchase tickets.

There is also only a few weeks to submit applications for our Scholarship program. The deadline is April 22nd.

Our Color Corps is looking for a few good men, for that matter, we are just looking for men to join. We are getting to the point where we may not be able to honor council turnout requests. We need men to step up and replace guardsmen that have had to retire due to health and age. Unfortunately, that is not happening; for every guardsman that needs to step down, there is nobody to replace him. Please consider joining.

There are rumors that if you come to an Assembly Meeting, you must wear a tuxedo and we also lock the doors to force you to join the Color Corps. Neither is true of course, tuxedos are worn by the assembly officers and for members, as long you have on a shirt, pants and shoes you are good to go; socks are optional. I like the idea of locking the doors to get more guardsmen; but would never do that? So come on down to a meeting and see what you can do for your assembly. We were just at Delaney Council and their members and Grand Knight sent me some ideas on how we can work together to promote patriotism and I thank them for asking the Assembly to get involved with their Council.

Our Seminarian Chairman Steve Connelly and I will represent the Assembly at the annual Palm Sunday Mass held at the Seminary of the Immaculate Conception. Each year the Knights of Columbus is invited to this mass to thank us for our support of seminarians. Please keep the Seminarians in your prayers during this Easter Season. Our prayers give them encouragement as they continue their path the Priesthood.

Upcoming Events:

March 25th - Next Assembly Meeting, Our Lady of the Island Council

April 11th – Spring Fourth Degree Exemplification, Msgr. William F. Burke Council, Rockaway
To become a Sir Knight contact your Fourth Degree Chairman, Grand Knight or
E-mail me

April 12th - Annual Saint John XXIII Dinner Dance, New Hyde Park Council

April 22nd – Assembly Meeting, Twelve Apostles Council, St. Catherine of Sienna

I wish you and your families a Blessed Easter.

Knights Of Columbus Mourns Cardinal Edward Egan
the former archbishop of New York, who died on Thursday, March 5. at the age of 82

Several Color Corp Guardsman from the local Assembly are seen in full Regalia including the traditional sword to show Honor to Christ and His apostles. I am happy to see that they were allowed to wear their complete uniform on this occasion. Lately they have been restricted from the carrying of the sword in Saint Patrick's Cathedral breaking a long time honored tradition.

Cardinal Egan joined the Knights in 1992 as a member of Saint Frances X Cabrini Council 4096 in Bridgeport Conn. It's a shame that not more Assemblies were asked to participate at the funeral mass to provide more then the handful of Honor Guardsman that were present.

Let us all remember him and his family in our daily prayers.

COMPTROLLER ALERT MAR--APR 2015 ANOTHER NEW YEAR!!

We are now into the bottom of the third month of 2015 and there are still Sir Knights who have not sent in their dues. Billing notices were sent out via first class mail on January 1, 2015 and dues should all have been in by now. Please do not cause the Assembly the additional expense of paperwork and postage that will be created by sending out second notices. One of the main things to remember is all financial transactions (checks, etc.) must still be made out to Pope John XXIII Assembly. The bank and the IRS only know us by that name. When submitting your dues, please remember to do this!!!

Joseph Zink, PGK, FDD, PFN Faithful Comptroller

Comptroller's Corner For MAR---APR 2015 Don't Blame The Groundhog!!!

Hopefully, that “white stuff” has finally gone and we can look forward to a pleasant spring with sunshine. Prayers sure can help. With this new-found spirit, we should have a great Patriotic Ball Dinner/Dance with someone walking away with that fabulous raffle prize. If you want it to be you, did you buy tickets? This event is the only fund raiser the Assembly runs each year and needs the support of all our Sir Knights. See your Council Chairman for tickets and information or come to one of our Assembly meetings. We should also be aware of the 2015 Exemplification which will be upon us before we know it. Get those Form 4's filled out and turned in and don't forget the prospect information form also. Please do not create an avalanche at the last minute, The paperwork, for me, is huge.

HELP ME HELP OUR ASSEMBLY and YOU!

I have asked in previous issues for members of the assembly to please submit to me articles that they feel will be of interest to other Sir Knights or announcements of functions being run by their councils that may be of interest to other members of our assembly such as Parties, Dances, Communion Breakfasts, Fundraisers, Trips and other activities. The advertisements are FREE, yes **FREE !!**. All you have to do is e mail me a pdf. or tiff. or jpeg. file. Are you or is your council having an event that you want to promote or does your council have a hall they make available to rent for parties. Post it here and let other members know about it. The "E" edition is basically unlimited to size for sending out to our members, unlike the printed copy which will remain 4 Black & White pages. I am more than willing to put in the time to put it together but I can't pull things out of the air, like I did the Eagle below, just to fill pages. So please remind your Grand Knights to send in the information they want to have posted in the Encyclical. And on behalf of our officers Please make the

effort to come to our assembly meetings The 4th Wednesday of the month and the location will be posted in the Encyclical and on our assembly web site <http://www.kofca730.org/>. God Bless You, Your Family and GOD BLESS AMERICA.

Are You Interested In Joining Our Editorial Team

A small operation, such as our bimonthly publication, usually has a editorial team filled by a single person. A reporter, for example, may take their own pictures. A sales manager might also be the salesperson But we do not have a sales manager and the publisher may also be the editor. At present we have the Editor, who could use some help to expand our news letter for the better of the assembly.

The more the merrier, so the saying goes. If you feel you have writing skills or good photography skills or a Knight with a digital camera and a computer (needed) and would like to contribute to our newspaper "The Encyclical" then please by all means contact me. A team can make our "E Edition" grow by leaps and bounds. Some simple guide lines to follow:

- (1) Pictures and articles as well as posters (pdf's) of up coming individual council events must be related to the Knights of Columbus by either affiliation with a catholic organization or a recognized charitable organization including Veterans organizations Food pantries run by your council or church, health related organizations excluding Planned Parenthood.
- (2) Articles of course must be of an acceptable nature and not just the opinion of the writer, (which is hard to do at times). All submissions will be reviewed for the subject matter and more then gladly placed in our paper giving credit to the Sir Knight submitting the article or picture.
- (3) All 4th degree council representatives are encouraged to join up and speak up for their council and bring to my attention what activities are coming up that may be of interest to the members of our assembly. Including if their council has a catering hall available for rent to K of C members. Place an full page add .If the rental is credited to that add in the Encyclical a small fee of one years dues would go to the Assembly.

For more information please contact me by e mail. Thank you
